RE: **Subsistence Increases**

The Alberta Building Trades and CLRA conducted a review of the per diem amount for subsistence for the Athabasca area and they have approved an increase in the Subsistence allowance for that area.

So that the Electrical Trade is consistent with other trades, ECAA and IBEW L.U. 424 have in the past accepted this process to meet the intent of Article 8.06(b) of the Collective Agreement. Therefore the IBEW request for a Subsistence increase is approved, effective 12:01 a.m. on Sunday, December 4, 2011, and shall form part of Article 8.06(c)(i) of the Collective Agreement. The Subsistence Allowance rate shall be as follows:

Athabasca – One Hundred and Forty Dollars (\$140.00) per day worked exclusive of G.S.T. (effective December 4, 2011)

If you have any questions or require further clarification, please contact the ECAA Provincial Office.

Please advise your payroll departments accordingly.
