

THE AWARD

The purpose of the Electrical Contractors Association of Alberta's Award of Merit is to honour a person whose outstanding achievement is of such importance to the electrical contracting industry of Alberta that it is contributing to its human welfare and common good. The award shall be made once a year at the Electrical Contractors Association of Alberta's Annual Meeting and Convention, and shall consist of a bronze plaque.

SELECTION COMMITTEE

The Selection Committee shall consist of the Electrical Contractors Association of Alberta's current Nominating Committee. The Committee shall act as a completely independent body with full powers of decision in selecting award recipients.

NOMINATIONS

Nominations shall be made by members of the Electrical Contractors Association of Alberta and shall be made in writing, addressed to the attention of the Selection Committee, outlining the merits for the nomination. The basic information should also include the nominee's full name, address, occupation and details of the achievement for which the nomination is made. Nominations made in one year may, at the discretion of the Selection Committee, be carried forward to the following years. To be considered in the current year, all nominations should be submitted to the Selection Committee no later than April 30, 2004.

CRITERIA

Persons to be considered shall have been concerned with some portion of the electrical industry in Alberta including, but not necessarily limited to, electrical contractors, consulting engineers, inspectors, educators, suppliers and manufacturers, and they shall have been residents of Alberta during the period of their considered achievement.
